

Łukasz Ławicki

Xamarin developer

Experience

SpyroSoft

Xamarin Developer

2018
Main tasks: implementing Xamarin.iOS app for TrackMan.Football. Working under directly under product owner. We used highly adpoted SCRUM to manage our work. I was responsible for maintaining backlog item.

Xamarin.iOS

MVVMCross

SQLite

OpsTalent

Xamarin Developer

2017
Main tasks: implementing Xamarin.Forms apps for Belgium clients. Working directly with a client. I was organising workshops, gathering requirements, managing team work, taking care of a backlog. Also, I was clients' main technical contact.

Xamarin.Forms

PRISM

Rx.NET

Angry Nerds
